

## **Notice-and-Take-Down (NTD) procedure My Horsez**

### **Explanation**

If you, as a copyright holder, rights holder for an image, or any other legal rights holder, notice that your rights are being infringed upon, you may report it to us by filling out the form below. We will ensure that the unlawful content is promptly removed from our website.

This form may be useful, for instance, if a member of the game has used an image on their profile or in the forum (user-generated content) without permission. If resolving the issue directly with the player isn't possible, we as a platform, provide this form to allow you, as the rights holder, to request content removal.

We would like to draw your attention to the fact that submitting a false Notice-and-Takedown request is considered an unlawful act under Dutch law, and the submitter may be held liable for any resulting damages.

To report an issue, please fill out the form and email it to [info@myhorsez.com](mailto:info@myhorsez.com). We will process your request as soon as possible and remove the reported content from My Horsez as soon as possible. We use your personal data solely to handle your complaint, retaining it only for the duration of the process.

**On the next page, you will find the NTD application form.**
